Opening Remarks: Motion to recess meeting till Thursday January 21, 2021 at 10:00 AM by John Mullen. Seconded by Carol Vita. Discussion: John Mullen explained that the chair and Vice Chair were attending a Video conference call on the Sunrise Lake Water Shed Management Plan and could not attend the regular meeting. Additionally, the Commission did not notice in time to change the meeting date so a recess was felt the best way to postpone to January 21, 2021.
